314 BRIXTON ROAD, SW9 – Window Replacement:

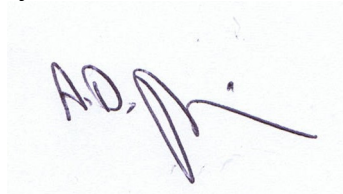

Dear Ms Folkes,

Thank you for your recent letter about the above application.
I see from the Design & Access Statement that the applicant is Optivo Ltd., as head leaseholder, rather than the individual named in your letter.

This is a prominent site within a Conservation Area north of Brixton Town Centre, so the quality of replacement windows is important, and in particular, consistency with the original character.

The proposals have now been examined, and appear to meet all the required criteria, so we are happy to support the application.

Yours sincerely,

Hon. Secretary
