Dear Miss Shallcross,

Thank you for your recent letter about the above application.
Our comments are as follows:

The proposed development will have a low profile and therefore limited impact on the street scene and surrounding housing.

We welcome the use of a green roof.

The only detail of concern is the pretentious treatment of the entrance door on the Minet Road frontage, faced with brick slips or imitation brickwork. We would prefer this to be a modern timber door design instead, such as those available from Urban Front Ltd.

Yours sincerely,

Hon. Secretary
