116 BRIXTON HILL, SW2 – Proposed Digital Hoardings:

Dear Mr Hansel,

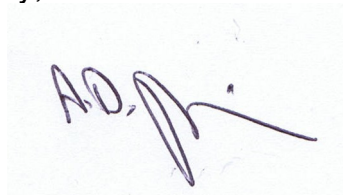

Thank you for your recent letter about the above application. This is a prominent site on the southern approach to Brixton Town Centre, and we have been unhappy with the unsightly advertising hoardings at this site for many years.

The latest proposals appear to be a re-working of a previous application from about a year earlier. The problems and defects in the proposals also appear to be as bad as before, so I must draw your attention to the objection we made at that time.

Those objections are still valid, and for your convenience I have supplied our previous objection letter (28.2.19) alongside this one.

I will write separately on the proposed changes to the main building.

Yours sincerely,

Hon. Secretary
