1 Selway House, 272 South Lambeth Road, SW8 – Alterations:

Dear Ms Marshall,

Thank you for your recent letter about the above application.
This site is just beyond our area of benefit, so it would have been more appropriate to consult the Vauxhall Society.

However, I am familiar with the site, and recall the construction of the original estate.

Other members have advised me that the present accommodation is poorly arranged, so in principle we welcome its improvement.

The external alterations appear to integrate the Medical Centre better with the rest of Selway House, so would also be welcome, at least to the man passing by on the Clapham omnibus.

Yours sincerely,

Hon. Secretary
