BRIXTON RAILWAY STATION, Atlantic Road SW9 – Proposed Reinstatement of Platform Statues:

Dear Ms Kaskanlian,

Thank you for your recent letter about the above application.

Fortunately, a few months ago we met on site with the artist and with representatives of the railway company to discuss the proposals in detail. As far as I can see, the application is in line with our discussions.

We particularly welcome the creation of a new pairing, by the re-siting of one of the original statues opposite a recent cast of the original model.

We are therefore happy to support this application.

Yours sincerely,

Hon. Secretary
