110-112 LANDOR ROAD, SW9 – Proposed Alterations:

Dear Ms Harper,

In response to your recent letter about the above applications, our comments are as follows:

The proposed changes will clearly enable the building to meet a specific need and the location is acceptable. However, long experience of “supported housing” in our area is that on-site support soon disappears as a false economy measure. This results in the clients struggling in isolation and a rise in anti-social behaviour troubling local residents.

It should be a specific condition of planning consent that the dedicated staff accommodation should be maintained in use, and not converted to general resident accommodation.

No objection is seen to the proposed window renewals.

Yours sincerely,

Hon. Secretary
