## **3 St. MICHAEL'S ROAD, SW9 – Roof Terrace:**

Dear Mrs Brown,

In response to your letter of 13 December about the above application, our comments are as follows:

We try to review local applications for roof terraces and the like, in case there are issues of overlooking or unsympathetic additions, particularly within areas of older housing or higher density development.

In this case, we are satisfied that the inserted roof terrace is well-screened from neighbouring properties and with minimal impact on the original roof design, so we are happy to support the application.

Yours sincerely,

Hon. Secretary
