2 ROBSART STREET, SW9 – Variations to Elevation Details:

Dear Sir,

In response to your recent letter about the above application, our comments are as follows:

The revised drawings have been reviewed and the proposed changes are acceptable.

However, on a separate point, I am concerned that your letter did not provide a name or e-mail address for the case officer, nor a contact phone number, which normally allows early resolution of any queries over timing or access to supporting documents.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'A.D. Piper', written over a light blue grid background.
